

## Day 4 – Our Day in Brixham

Our day started with language school where we talked about how to discuss with other people which was a lot of fun. After that we had some freetime to get our lunch or we just walked around the harbour. At 2 p.m. our bus driver Olaf waited for us in the coach and we went to Brixham – our day trip. First we walked to the Golden Hind, which is a replica of a very old pirate ship. Mr Adam told us some more interesting facts about the pirate who was the captain of this ship. Then we walked around the harbour and looked at all the boats. After that we all walked to a white lighthouse at the end of a breakwater. It was so beautiful to see the sea and Torquay on the other side of it. When we walked back tot he beach we had an hour freetime so we could walk through Brixham an along the beach. Finally we met at the ship again. We walked together back to our coach and went back to Torquay. This was our day in Brixham that we think everyone was enjoying.
